

2002 Annual Meeting Invitation

Putting the Pieces together

On behalf of the executive committee, the program committee and the local arrangements committee, I would like to invite you to join us in St. Augustine for the annual FHSLA meeting. This year's program, Medical Librarians: Putting the Pieces Together attempts to examine the multiple skills we possess and the many services that we provide. We hope that you will gain some new skills and appreciate what an asset you are to your organizations.

In developing the program and choosing the CE classes we tried to include a variety of topics that we hope will be of interest. We are including round table discussions and poster presentations. A number of members are active in other professional organizations and have done presentations that we may not have seen.

We hope you will join your colleagues in St. Augustine to visit, share, learn and have a good time.

Pamela Sherwill-Navarro

Vice President, Program Chair
FHSLA
