

FHSLA 2015 - April 9-10

Continuing Education Classes

Introduction to Systematic Reviews (4 CEUs)

Susan Fowler of Bernard Becker Medical Library at the Washington University School of Medicine in St. Louis, Medical Librarian and Coordinator, Systematic Review Services will present a course on Systematic Reviews. This class is included in the price of meeting registration!

This April 10th class will include the following topics:

- Librarians' Role
- Planning the Review
- Building and Documenting the Search

Susan co-taught a version of this class last year at MLA 2014:

What's Your Status? Social Networking Trends in Libraries (4 CEUs)

Martin Wood, Robyn Rosasco, and Terri Johnson, Director, Public Services Librarian, and Medical Informatics Librarian respectively, at the Maguire Medical Library, Florida State University, will teach a class on Thursday, April 9th. Participants will examine case studies of social media implementation in libraries, and discuss their successes, challenges, and potential for the future. At the end of the course, each participant will leave with a custom plan to take back to their library for consideration as they decide how social media can be applied to their library's goals. There is a charge for this class; please see the registration form.
