

## Continuing Education Classes

**Thursday, optional CE class – FHSLA Member Cost \$35.00 (see registration for non-member cost)**

**Searching Effectively & Efficiently** <http://cech.mlanet.org/node/1186>

How can we search effectively & efficiently? In this class, you will learn (and practice) methods used by expert searchers. You will learn some advanced search techniques for PubMed and create a self-study plan to hone your skills.

Course objectives:

By the end of the session, participants will be able to:

- Translate search requests into appropriate search terms
- Build a search strategy, modify it, and improve it
- Outline steps to support a systematic review
- Develop a plan for maintaining and improving search skills

**Friday CE Class (included in the registration)**

**Measuring Your Impact: Using Evaluation for Library Advocacy Resources**

Library users and stakeholders will recognize and value the importance of their library's services and of the librarian to the organization. The primary learning outcome for Measuring Your Impact is that librarians will be able to show the value of their library's services. Participants will become familiar with an evaluation process and will use and take away methods and tools for assessment, evaluation planning, creating logic models, data collection and reporting.
